OFFICE OF PETITIONS

Sir:

**REQUEST FOR RECONSIDERATION OF PETITION TO REVIVE AN ABANDONED PATENT**  
**APPLICATION IMDER 37 C.F.R. 1.137(a)**

A petition under 35 CFR 1.183 and in the alternative, petition to revive an abandoned patent application under 37 C.F.R. 1.137(a). was filed on January 29, 2004, in the prosecution of the above identified US patent application. Both petitions were denied. The petition to revive was denied because the required reply was not included with the petition. The required reply was a Request for a Continued Examination Transmittal, and Issue Fee payment. This petition is being filed with both, and is also being filed with a request for a one month extension of time, and an information disclosure statement with a USPTO form 1449. Applicant respectfully requests that the documents listed on the USPTO 1449 be considered, and initialed as having been considered in the prosecution of this application, and that the claims be allowed, along with acceptance of the petition to revive an abandoned patent application.
